

ASKS WHY BRITISH SEARCHED U. S. SHIP

American Vessel Zealandia Visited in a Mexican Port.

OFFICIALS RETICENT

Mexico May Also Enter Protest Against This Act of Force.

WASHINGTON, Nov. 10.—The United States government today asked the British government to explain why the British navy searched the American ship Zealandia, a vessel of 1,200 tons, in a Mexican port. The United States government said that the Zealandia was a peaceful vessel, and that it was not carrying any contraband. The British government, however, said that the Zealandia was carrying contraband, and that it was necessary to search it. The United States government said that the British government's action was an act of force, and that it was a violation of the rights of the United States.

CLEANSE THE BLOOD BEFORE WINTER

Free yourself from the menace of bad health when the cold and wet sets in. Sufferers from Catarrh, Rheumatism, and Eczema are worse in winter. Take S. S. S. now.

Advised of this character has been given by our trained specialists year after year as summer began to wane and the coming of fall heralded the time when storms and cold are near. We repeat this warning here. Sufferers from Catarrh will undoubtedly find the symptoms much aggravated as Winter approaches. With the first chill blazes the Rheumatism, and the first cold the Eczema. There are forms of winter diseases—some in particular—called Tetters that cause real suffering when cold weather comes. The mere aches and minor pains of Rheumatism not only change in winter, but the changes are apt to be so decided in their violence as to cause the most intense suffering. Harsh biting pains in the limbs, in the back, in the joints, even rheumatic pains in the head and face sometimes supposed to be neuralgia. Catarrh is back again, more intense than last winter with the continual howling and spitting, headaches, dripping of phlegm in the nose and throat, the stopped air passages and the foul odor from the breath. Is it not a

AS WE GROW OLDER

our minds are quite as active as in former years but our strength does not respond when we need it most; perhaps the kidneys are weak, the liver torpid, rheumatic pains or stiffened joints beset us, and we cannot easily throw off the colds that winter brings.

What we need is the rich cod liver oil in Scott's Emulsion to renew the blood and carry strength to every organ of the body, while its glycerine soothes the respiratory tract, and its hypophosphites strengthen the excitable nerves.

Scott's Emulsion is a scientific food, of unusual benefit to those past fifty years—particularly during the colder seasons, it imparts warmth and creates strength. One bottle will prove its worth. No alcohol or harmful drugs. Scott & Lowe, Bloomfield, N.J.

A Contented Mother.

A quiet, tranquil mother will transmit a more healthful influence than if she is extremely nervous from undue pain. That is why experienced mothers are constantly urging expectant mothers to use the old time remedy, Mother's Friend, a dependable external treatment obtained at any drug store. It relieves undue tension on the cords and ligaments resulting from muscular expansion and gently soothes the network of fine nerve threads. It is the one splendid assistant to ease, comfort and safety.
